GOALS

In the Associate Degree Program & Wildland Fire Academy, our goal is to develop professional & safe responses in the Wildland environment by offering training that meets or exceeds NMCG standards.

ASSOCIATE DEGREE

NNMC offers an Associate Degree in Wildland Fire. Courses offered will meet IFPM standards. Wildland Fire Courses taken to complete the Associate Degree are mainly in the operational area. Students interested should contact Mr. Rik Gonzales.

NNMC also offers a Wildland Fire Certificate. This is an abbreviated Wildland Fire course of study and is for students that do not desire to pursue an Associate Degree, but want a certificate to indicate educational and technical courses taken.

CAMPUS SETTING

El Rito Campus is in a unique setting. Student to instructor ratio is at a minimum. Instructors are well qualified, all having considerable, previous fire experience. College dorm rooms are available as is a cafeteria.

WFS-127 Consists of 2 Courses (S-131 & L-280), which can be taken separately, students, will need to specify which course they plan on taking as both have the same CRN (Course Registration Number). To complete WFS-127 in the associate degree program the student must have successfully completed both.

WFS-281 will not qualify the student as a feller.

There are field days for WFS-112, the L-280 portion of WFS-127, WFS-280 and WFS-281.

There is pre-work associated with the L-280 portion of WFS-127 and WFS-281.

Visit our web site WWW.WILDFIRECOLLEGE.COM for registration process, as all registration must be on line. The web site also has additional information about Northern NM College.

Northern NM College may cancel courses if sufficient student enrollment does not meet their requirements.

Tuition and Fees:

Tuition and fees are refundable only upon receipt by the Business Office of a written notice of dropping or written notice of dropping or withdrawing. Such notice may be delivered online (with your student ID constituting written request or, in lieu of such, a written declaration of intent. In the case a class in which you enrolled in is cancelled, you need do nothing. Refunds are computed from the date of drop or withdrawal. Failure to drop a class will result in a failing grade and student will be responsible for all tuition and lab fees.

Note:

- 1. No refund will be made on regular or late registration fees, or in the case of disciplinary suspension or dismissal.**
- 2. If you are dismissed for falsification of records, eligibility for refund will be entirely at the option of the College.**
- 3. If you mail a notice of withdrawal, the rate of refund will be based upon the date the notice is received at the College.**
